WHO WE ARE

Merit Asset Group, LLC is a infrastructure support firm providing repair, maintenance, logistics, and operational solutions to federal, state, and commercial clients. Since 2022, we have delivered high-impact, compliant solutions designed to meet the evolving demands of government operations. Our capabilities span equipment procurement, field service deployment, and telecommunications.

CORE CAPABILITIES

- Industrial Equipment & Mechanical Systems — Crane and heavy-equipment inspection, repair, and field service; hydraulic and electrical troubleshooting; load testing; installation, relocation, and decommissioning; trailer procurement
- Facility Systems & Utilities — Plumbing and septic, electrical, HVAC (via qualified partners), and general facility maintenance with preventative-maintenance programs
- Telecommunications & Low-Voltage Systems — Structured cabling (Cat6, fiber), Wi-Fi and network deployment, CATV, CCTV/surveillance, and access control
- Inspection & Compliance Services — Equipment and facility inspections, safety and operational compliance checks, and asset lifecycle reporting
- Operational & Field Support Services — Industrial cleaning, site support, mobile field-service coordination, equipment transport, and rapid deployment of skilled trades

DIFFERENTIATORS

- Rapid Logistics & Mobilization — Agile response to dynamic and time-sensitive requirements
- NC HUB Certified (HUB-4011314) — Eligible for diversity set-aside and supplier development opportunities
- Proven Government Performance — Experience supporting DoD, federal civilian, and multi-state agencies
- Mission-Aligned Execution — Tailored solutions designed to meet specific operational objectives
- Adaptive & Responsive — Structured to pivot quickly as scope and conditions evolve
- Trusted Partner Approach — Emphasis on transparency, accountability, and long-term relationships
- Financial & Operational Discipline — Strong cost control with consistent on-time delivery

Agencies served — federal & state government
